October 2020

Dear Sir/Madam

I am writing on behalf of the PTA at Rose Green Infant School. We are a large Infant school with 270 pupils between the ages of four and seven years old, with children coming not only from Pagham, Nyetimber, Rose Green and Aldwick but also from further afield.

As you are no doubt aware, the situation with Covid-19 has affected not just businesses but charities too. We will be largely unable to run our usual fundraising campaigns and therefore we are working hard to come up with other options to enable us to continue to support the school and its pupils. Any money raised is used for a wide variety of projects both large and small. This year we are trying to raise funds to enable us to improve the landscaping of the school grounds which is a huge undertaking! We have an incredible pond area that needs renovations as well as multiple areas across the school grounds that we would like to modernise and make more accessible and usable for our young pupils.

One of our fundraising ideas is to host an online virtual raffle so for this to happen, we are seeking some prize donations. We know that many of you have helped us in previous years, but may we call upon your kindness and generosity to help us for another year.

Many thanks  
Yours sincerely

PTA Committee
