

Rose Green Infant School Reading Newsletter.

We find ourselves at the end of another busy year at school, each year seems to go by so quickly! It's a time to look back at the amazing Reading achievements of all our brilliant children at Rose Green Infant School.

A big thank you to all of the hard working Reading Ambassadors who have helped to promote and support Reading across the school this year. They are now experts at tidying the library! But, they have also helped by making posters to promote book week, wrapped up books to give out to classes as presents and helped to set up the community library, as well as many other jobs. We will be advertising for more Reading Ambassadors across Key Stage One in the Autumn term.

Our 'Book Nook' has been so popular this year and it is brilliant to see so many people going in after school to take books, but we are now very short of books in there, as nobody is replacing them!! **Please**, bring in any books that you have at home that you have finished reading and leave them in the Book Nook, which is open every day after school. If you take a book, please replace it with another one.

We will be collecting in the children's reading books from their book bags before the end of term, so that we can sort and audit them before next year. If you have any books at home with the Rose Green stamp in, or a School's Library label, please send back into school ASAP. Thank you. This does not mean that your child should stop reading! Please keep reading to them and encourage them to read any books that you have at home or visit the library, where you can take part in the Summer Reading Challenge, or just borrow books for free. Every child in our school now has a library card. **Daily reading has an impact on your child's continued all round academic progress.**

'Yesterday, Secretary of State for Education, Bridget Phillipson, announced that 2026 will be The National Year of Reading.'

The National Year of Reading 2026 is a campaign to address the steep decline in reading amongst children, young people and adults. It is a Department for Education initiative, in collaboration with us, the National Literacy Trust, as their delivery partner of the campaign.' The National Literacy Trust 9.7.25

"The National Year of Reading 2026 is a bold, society-wide campaign to reimagine how we understand, support and promote reading.

Reading is the foundation of a successful life - the key to unlocking potential, strengthening social cohesion, enhancing wellbeing and boosting skills."

Jonathan Douglas, Chief Executive of the National Literacy Trust

Happy Holidays!! Mrs A Bennett. Reading Leader.
