

Community Food Hubs

West Sussex County Council is working in partnership with UKHarvest, a food rescue charity, to reduce food waste and provide access to affordable food using rescued produce.

How it works?

Simply bring a shopping bag and fill it from a selection of mixed groceries for a suggested donation of £3.50.

Our friendly volunteers will be on hand to help you make the most of your weekly shop by sharing recipes, healthy options, and tips to reduce your household food waste.
