

**Personal, Social and Emotional Development**

We are encouraged to explore new friendships. We continue to learn to collaborate and take turns.

**Communication and Language**

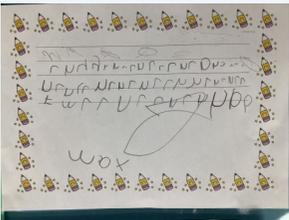

Drawing Club is great for exploring new vocabulary like decorative, sludgy and flabbergasted as well as developing our communication as we describe our magic adventures!

**Physical Development**

We have enjoyed our PE sessions. We have learned to use the space & follow instructions. We have had fun developing our catching skills.

**Literacy**

We can use our phonic knowledge to read words and to sound out words for our writing.

In Reception we have been...  
Spring 1 2026

**Mathematics**

We can match numerals to amounts and use subitising skills to recreate dot patterns. We are learning lots about number composition as well.

**Understanding the World**

Frosty mornings encouraged lots of discussion about the Winter season. We also enjoyed the Snow Thief story as Squirrel learns about Winter too.

**Expressive Art and**

Creative Week was lots of fun learning about Matisse and making our own work inspired by him.
