Dear Parents and Carers,

This term we have decided to participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child will soon be creating their own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs.

Not only would it be very exciting for your child to see their work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the Mugs are great for gifts!

**Orders and payment must be made online** using the unique code located at the top of the pupil order form, which they will be bringing home in the next couple of weeks. Please refer to your order form for further instructions. **There is no obligation to order.**

Each order form is uniquely numbered – this code can be used by anyone who wishes to order, so please share with other members of the family.

**If you choose to place an order online, you must then return the order form with the artwork attached to the school by Tuesday 12<sup>th</sup> November. If artwork is not sent back to us, the order cannot be processed but you may still be charged.**

Cards will be delivered to the school at the beginning of December. Late orders can still be made after 12<sup>th</sup> November, directly through Cauliflower Cards, but these will carry an additional shipping cost because they will be delivered directly to your home address.

Yours sincerely
