

Personal, Social and Emotional Development

We have been getting to know the grown-ups in Reception and making new friends.

Communication and Language

We have been learning to listen to each other and share our ideas in play.

Physical Development

Our block play allows us to use our imagination whilst developing physical skills of lifting, jumping and balancing.

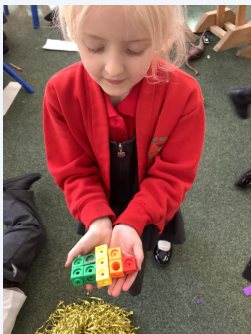

Literacy

We have been sharing stories, starting to learn our letter sounds and doing lots of mark-making in our message centres.

In Reception we have been...
September 2025

Mathematics

We have been talking about 2D shapes, going on shape hunts in our environment and creating shapes in our play. Some of us are showing our knowledge of numbers too!

Understanding the World

We are loving our new learning journey books and sharing information all about ourselves with our new friends and teachers

Expressive Art and Design

We have been learning to use different resources to express our ideas and show our creative skills.
