

Year 2 Gingerbread Houses

A parent of a child in Sycamore class, has very kindly made all the children in Year 2 gingerbread and accessories to make their own Gingerbread House. We are planning on assembling them on Friday 6th December and will be selling them at the school Christmas Fair, that day.

The school Christmas fair is running from 5-7 pm. You are welcome to come along and buy your child's Gingerbread House for £3.50. Alternatively, you can pre pay for it by sending in your payment in a named envelope. Please give this to your class teacher, on or before the day. Any ones left over will go on general sale.

Ultimately we would love to raise as much money as possible to spend on this year's children. Our active project is to improve the Year 2 outside space and increase the opportunities for outdoor learning.

We are very excited and would appreciate any help on that day to assemble them, with the children. Please email your class teacher(s) if you can help.

Thank you as always for your support.
