7th April 2022

Dear Reception Parents/Carers

As part of the EYFS curriculum, we will be looking at the children's own history. We are asking for a selection of photos that could include:-

- A baby photo of them
- A photo of them somewhere special i.e party, park or beach
- A photo of them before they came to school
- Some photos of family members now and before

It is a lovely thing to share but will also help us cover the following:-

ELG: Past and Present: *Talk about the lives of people around them and their roles in society*

We are asking that the photos be sent in by Wednesday 27th April. We appreciate that lots of photos are saved digitally and so if you would like to send them in by email, please do so via your child's class teacher(s) emails. If you would like to send them in, please place them in a named envelope/sealed bag marked with your child's class and the word PHOTOS. The photos will be at school for a few weeks and please do not include any photos that are too big or too precious. If you are able to print them off and we can keep them that would be amazingly helpful.

Thank you as ever for your continued support.

The Reception Team
