

Rose Green Infant School PTA Newsletter 2020

Now that we have all got through those first few weeks of settling in to the new normal of this school year, we thought we would take a moment to welcome all our new Reception parents and welcome back all our other family members too! We have really enjoyed seeing all the children coming back into school and they are all doing so well adjusting to starting school or coming back after such a long time away.

As you can imagine, fundraising this year will be more difficult than ever before but raising money to support our school will also be more important than ever. We have some ideas for some virtual fundraising we can do, but these things take some time to organise, so please keep an eye on your parentmail for regular updates. We have set up an Amazon Wishlist with some resources on there that our classrooms need. Again, this link will be coming out via parentmail so please take a look and see if you are able to make any contributions. These will be so gratefully received!

If any of you would like to help out on the PTA, there are plenty of jobs that can be done from your home, or if you have any ideas and would like to be a part of our small team, we are in need of volunteers! Please email the PTA account at pta@rosegreeninfant.school and one of us will get back to you.

"Our goal on the PTA is to provide resources to enrich the education of the children"
