

**Personal, Social and Emotional  
Development**

We have been playing together with adults to learn how we take-turns and negotiate each others ideas.

**Communication and Language**

We have been sharing our thoughts with each other, and have been enjoying group discussions.

**Physical Development**

We have been exploring and learning how to use tools, that help to develop our fine motor control safely.

**Literacy**

We have been enjoying poetry and have started to learn our letter sounds in phonics.

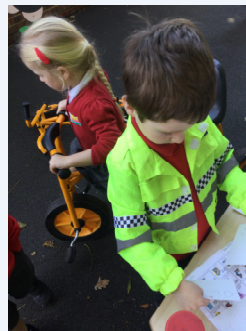

In Reception we have been...  
October 2024

**Mathematics**

We have been subitising. This means we can look and know 'how many' without counting.

**Understanding the World**

We have been learning about all the people who help us at home, in school and in the community.

**Expressive Art and Design**

We have been using role play to help us explore and understand the roles of people in our community.
