Dear Parents,

One of our Year One parents has drawn our attention to a brilliant website to get our children moving and having fun, while developing physical skills. Get Set is the British Olympic Association and British Paralympic Association's youth engagement programme. On the website is a challenge to get active and log miles to reach the Olympics in Tokyo.

All you have to do is go onto the site - <https://www.getset.co.uk/travel-tokyo/find-your-team> and find our team by entering the school postcode which is **PO21 3LW**. Select the challenge, do the challenge and log the activity.

It looks like fun. We will also do some of the activities in school. Let's see how far we can get!
