Dear Parents and Carers,

Let me first apologise – I am about to use a word that it really is too early to be using but needs must!

Each year we participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school – especially important at the moment when our funding is more and more stretched.

Your child will soon be creating their own Christmas design that can be professionally printed to produce personalised Christmas cards, gift labels, wrapping paper or mugs.

Not only would it be very exciting for your child to see their work as a finished printed product, but the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the mugs are great for gifts!

Orders and payment must be made online using the unique code located at the top of the pupil order form, which they will be bringing home on or before **Tuesday 6th October**. Please refer to your order form for further instructions. **There is no obligation to order.**

Each order form is uniquely numbered – this code can be used by anyone who wishes to order, so please share with other members of the family.

If you decide to place an order online, **you must then return the order form with the artwork attached to the school by Friday 16th October**. **If artwork is not sent back to us, the order cannot be processed but you may still be charged.** Items should be delivered to the school mid to late November.

You can place late orders after the deadline, but you'll have to do this directly through Cauliflower Cards, and this will carry an additional shipping cost because it will be delivered to your home address. The school cannot process late orders.

I apologise that we are doing this so early, but it ensures items arrive in good time.

Yours sincerely
