

Reception Home Learning W/C 19/07/21

Reading/Phonics Daily reading practise. What keywords can you spot in your storybooks? Can you point to each word as your grown-ups read them to you? Imagine you have found a magic shell that grants your one wish. Can you draw a picture and label what your wish would be?	Mathematics Ask an adult to hide the numbers to 20 around your room, house or garden. See if you can find all 20 and place them in order. You can ask someone to tell you a number to find. Can you remember what the number looks like and find it? Draw circles on a piece of paper, Chose a number between 1 and 20. Dip your finger into paint and add that many petals to one of the circles, making a flower, Count the petals to check how many you have and write that number in the middle of the circle.	Physical Use your huff and puff bag, how many different activities can you come up with. How could you make it trickier to challenge yourself? Jumpstart Johnny Cosmic Kids Yoga
Topic - Water Fill up a bowl with water. Find 10 objects and sort them into 2 piles, one pile that you think will float and one pile that you think will sink. Put each object into the water and see if you were correct.	Games Memory game. Collect ten different objects and put them on a tray. Ask a grownup to cover up the tray and see how many things you can remember that were on the tray. You could even try and write a list of the different objects you can remember!	Creative Can you make your own aquarium out of junk modelling (recycling),
