November 2020

Dear Parents/Carers

After Christmas, I will be leading a series of Forest School sessions with all of the classes. They will take place on a fortnightly basis and will run until the end of the summer. I attach a timetable showing when your child's class will be taking part.

Our 'forest' is a small redeveloped area within the woodland part of the school grounds. Within the 'forest' is an area known as the fire circle where children can socialise, and where we will have campfires. We also use a range of tools in this area under 1:1 supervision.

Please see the enclosed leaflet for your information. This explains what Forest School is and the kit that your child will need to bring into school for their sessions. These need to be old clothes, as we do not intend to stay clean! ☺ I have enclosed some essential forms to fill out too.

Please write your child's name on their clothing. Your child will come home in their Forest School clothing. I am sure that your child will make the most of this wonderful opportunity to learn outdoors, and apply their new learning within the classroom.

If any Parent would like to help with Forest School, please contact me at nprosser@rosegreeninfant.school. Any volunteers would need to be DBS checked.

Yours sincerely

Nikki Prosser
