

What have we been up to in Year 2 during November?

Willow Class completed a WWO activity. They were helping each other to create a fairy tale character. One of the team had to volunteer to dress up. They had great fun!

Sycamore Class made some lovely settings and puppets from different fairytales. They used them to retell the stories. Can you guess which ones they are from?

Some of the children in Oak Class have just completed their six weeks of fencing. They really enjoyed themselves and were all awarded a gold medal!
