Dear Parents and Carers,

Let me first apologise – I am about to use a word that it really is too early to be using, but needs must!

This year we have again decided to participate in a 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school – especially important at the moment when we can't do other fundraising.

Your child will soon be creating their own Christmas design which can be professionally printed to produce personalized Christmas Cards, Gift Labels, Wrapping Paper and/or Mugs.

Not only would it be very exciting for your child to see their work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the Mugs are great for gifts!

**Orders and payment must be made online** using the unique code located at the top of the pupil order form, which they will be bringing home in the next couple of weeks. Please refer to your order form for further instructions. **There is no obligation to order.**

Each order form is uniquely numbered – this code can be used by anyone who wishes to order, so please share with other members of the family.

If you choose to place an order online, **you must then return the order form with the artwork attached to the school by Monday 12<sup>th</sup> October. If artwork is not sent back to us, the order cannot be processed but you may still be charged.**

Cards will be delivered to the school towards the end of November. Late orders can still be made after 12<sup>th</sup> October, directly through Cauliflower Cards, but these will carry an additional shipping cost because they will be delivered to your home address.

I apologise that we are doing this so early, but last year we didn't do it until November and the items did not arrive until very near the end of term, which is too late when you want to send out cards.

Yours sincerely

Sally Dreckmann, Headteacher
