

FOR THE ATTENTION OF EVERYONE IN OUR SCHOOL COMMUNITY!

Following the success of our 'Used Book Swap' during Book Week last year. We are opening a community library in our school grounds.

This library is going to house books for adults and for children.

We want you to use it. We need good quality books that you don't need any more. The idea is that you leave a good book that you have enjoyed, and swap it with another one that someone else has left, or just come and find a book to read.

The library will be open every day after school, and everyone is free to use it.
